

DRDP Dates *for* Early Intervention and Preschool Special Education

January-February:

- Observe and document children's current skills and behaviors.

March-May:

- Rate measures and gather information on measures needing more documentation.
- Complete and submit your DRDP data by your SELPA's due date.

April-June:

- After entering Rating Records, print reports at DRAccessReports.org to plan instruction, share with families, and inform goals & outcomes.

- Children must begin special education services **before March 1** to be included in the spring assessment.
- Confirm the due date for submitting DRDPs with your administrator.
- **District and SELPA Administrators:** Beginning spring 2019, DRDP (2015) data is submitted to DRAccessData.org instead of CASEMIS.
